

**Comparison of Fossil Fuel Divestment Overture
with Three Synod of Sun Overtures**

	A	B	C	D	E
1	Comparison Factors	Overture 12 Fossil Fuel Divestment on GA Docket	Overture 32 A Constructive Alternative to Divestment	Overture 33 Faithful Engagement with Climate Change on GA Docket	Overture 34 Faithful Alternative to Climate Change
2	Origin	From Presbyteries around the country	Texas	New Covenant and Grace Presbytery, Texas	Texas
3	Acknowledges Reality of Climate Change and its Harmful Impacts on Creation	Yes	Yes	Yes	Yes
4	Calls for Reduction of Carbon Emissions to a Sustainable Energy Regime	Yes	Yes	Yes	Yes
5	Calls for Divestment	Yes	Yes, if company lobbies against action on climate change	Opposes divestment	Opposes divestment
6	Calls for Fee and Dividend	No, but support it.	No	Yes	Yes
7	Focus on Individuals Cutting Carbon Emissions, versus Industry Emission Cuts	No, because addressed in previous GA actions.	Yes	Yes	Yes
8	Proposes Action Already Approved by GA	Supports past GA Guidance, but doesn't repeat	Yes	Yes	Yes
9	Advances Economic Justice for all God's Children and Creation	Yes	No position	Focus on fossil fuel workers and only way to solve poverty is with fossil fuels.	Only as relates to implementati on of Fee and Dividend in U.S.
10	Advocates for Continued 25+ Years Unsuccessful MRTI Shareholder Engagement with Fossil Fuel Industry	Yes, but only need \$2K to sit at table.	Yes, but don't divest	Yes, but don't divest	Yes, but don't divest
11	Summary: There is a high level of agreement on the existence of climate change and the importance and urgency of addressing it.	Focus on divestment, but support other three overtures, except for opposition to divestment.	Opposition to divestment with a repeat of past GA guidance.	Opposition to divestment and support emission pricing mechanisms.	Opposition to divestment with strong support of fee and dividend.
